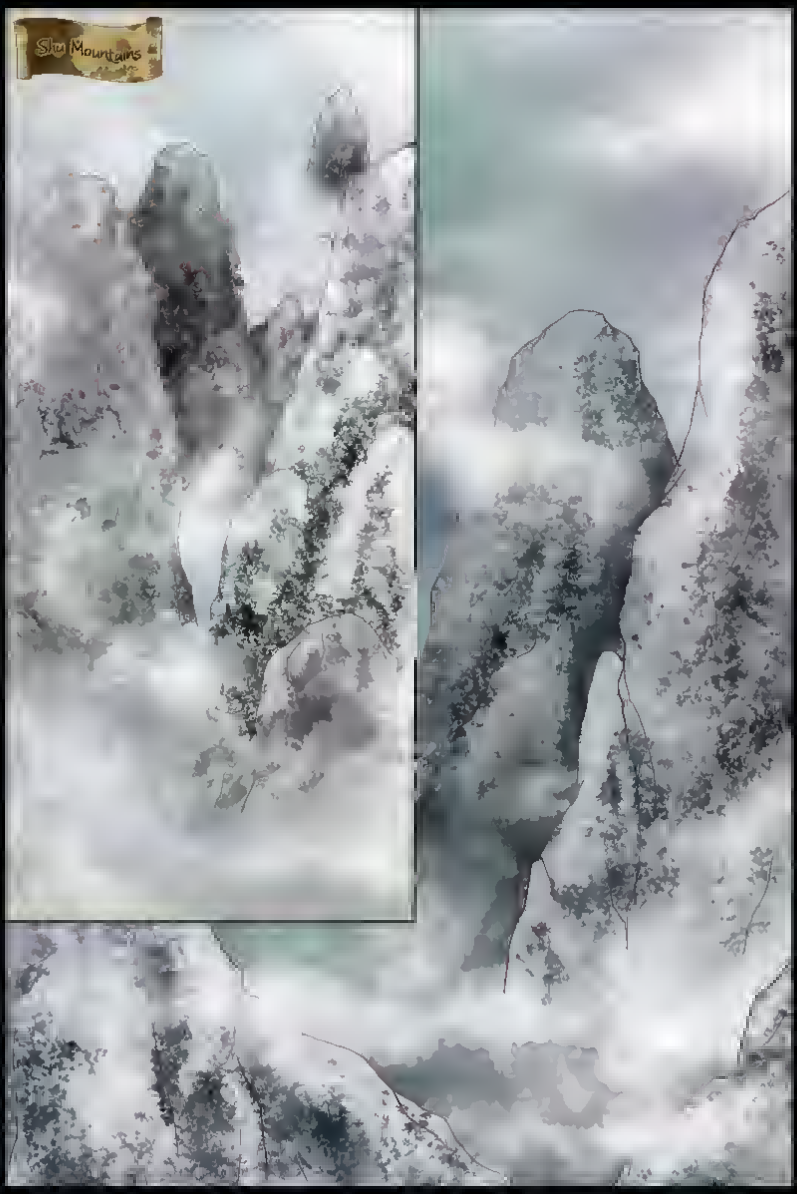
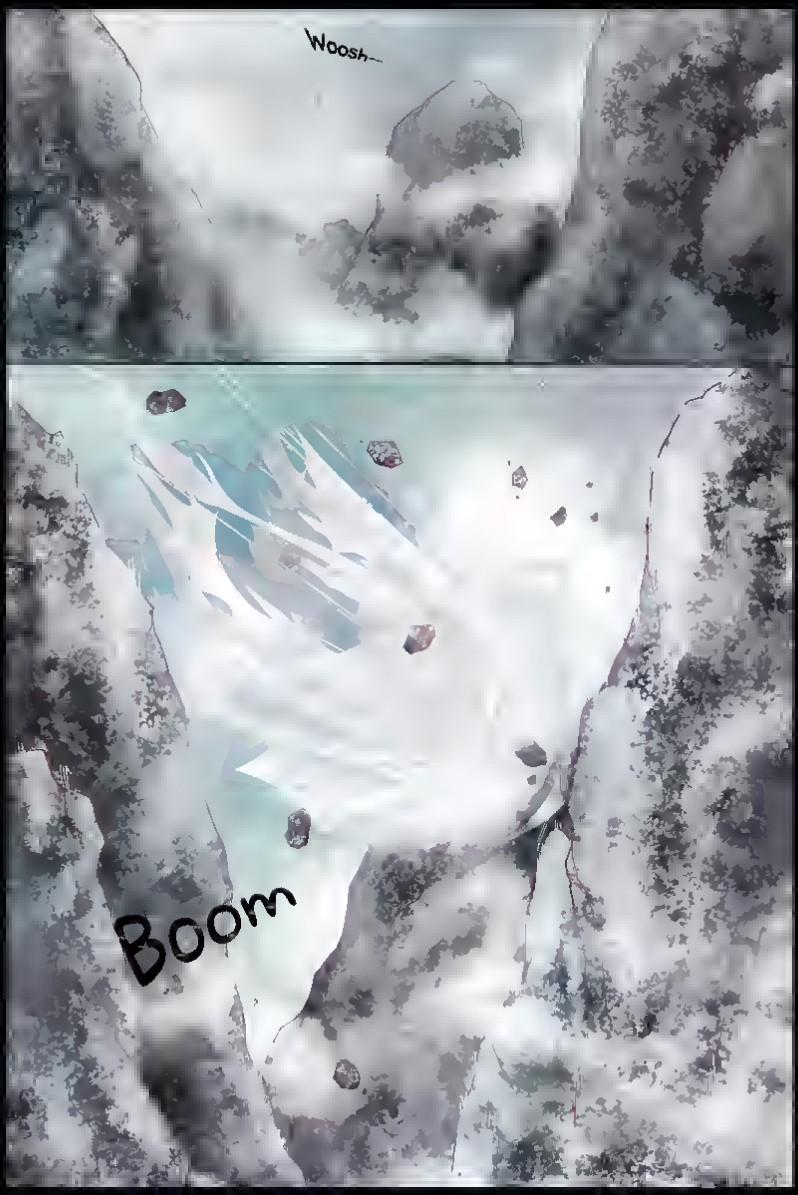
The story



Sky Mountains



Woosh...
Boom

pitter, patter
Gush

Stop!

Stop trying to escape. It's useless!
Besides, I do not wish to change you any longer.
It's meaningless to continue like this. Let's end it here!
Why did you destroy the entire village?! Answer me!

Why couldn't you at least spare the innocent civilians
That village had always been peaceful and bore no ill will towards you. In fact, you are indebted to them, yet you destroyed the entire village!
Did you not promise me that you would never bring harm to the human realm?!

Was there such a promise?
Did you forget?
When i first found you, injured by a Taoist priest, i brought you back to that village. The elder even took you in and treated you like his own daughter. You swore to protect that village to repay the kindness.
But why have you become like this?!
A demon's heart is capricious to begin with. Ling Zhu Zi, don't forget
Would you love me knowing I was a demon who brings misfortune?
Ha! That's why I pretended to be weak and let them help me. I simply used the village to recover. What could they do if the foolish villagers voluntarily helped me? With my injuries healed, the village was no longer useful, might as well get rid of it.

Ling Zhu Zi, you too were a fool. You saved my life in exchange for the massacre of countless innocents hahaha!
But if you tire of this chase and wish to capture me then you would have to defeat me first!! Let's put an end to this!
Is that so?
So that's how it's going to be Nine tailed fox, you are as wicked and ungrateful as they say. For the sake of peace, I will subdue you today!

swish
Come!
Realise your sins!

.....
BOOM
!!

pitter patter

That's great
You haven't really changed right?
Little fox
Don't cry
